- Read all instructions before starting
- Seam allowances are 1/4"

Economy Block

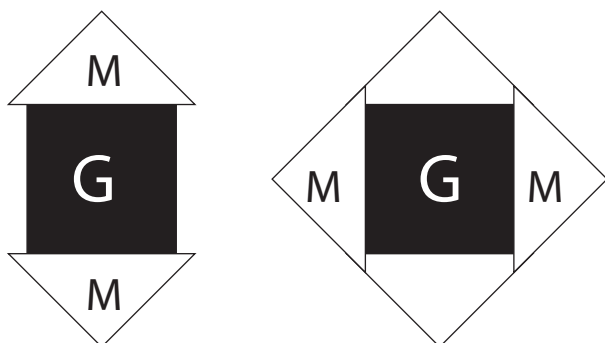

BLOCK ASSEMBLY

Step 1: Take a G square and two M triangles. Find the center of your triangle by folding it in half and finger pressing. Line up the center of your M triangle and G square. Sew an M triangle to the top and one to the bottom of your G square. Press. Do not trim off the excess points of your M triangles, you want the overage so that you won't lose your points later on.

Take your two remaining M triangles and follow the same steps, as above to sew M triangles to the left and right of your G square. Press.

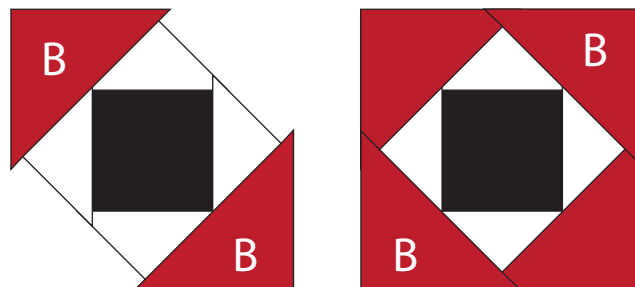

Trim to 4 5/8" x 4 5/8".

Step 2: Find the center of your B triangles and line them up with the center of your block (See Step 1). Sew a B triangle to two of the opposite sides. Press. Do not trim off the excess of your B triangles.

Take your two remaining B triangles and follow the same steps as above to sew B triangles to the remaining sides your block.

Trim to 6 1/2" x 6 1/2".

Granny Square

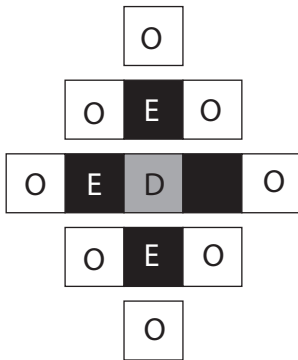

Make 4 blocks - 6 1/2" x 6 1/2"

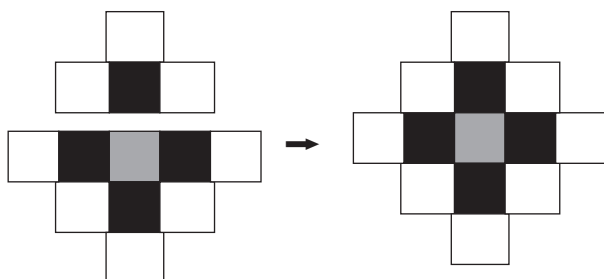

- Read all instructions before starting
- Seam allowances are **SCANT 1/4"**

BLOCK ASSEMBLY

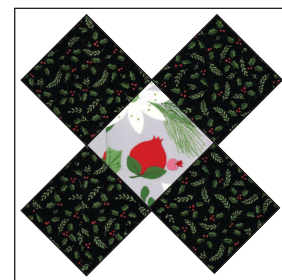

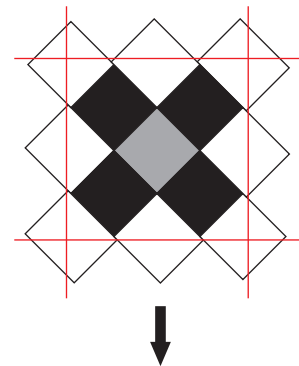

Step 1: Sew E, D and O squares into rows as pictured below:

Step 2: Sew rows together. You will want to find the center of your first O square and center it with the row below. Notice you have a bit of overage on all the white squares. You need the overage! Continue sewing rows together as pictured below.

- **Step 3:** Rotate your block and trim block to 6 1/2" x 6 1/2". Try and trim 1/4" away from your E squares, so that you don't lose your points!

Flying Geese

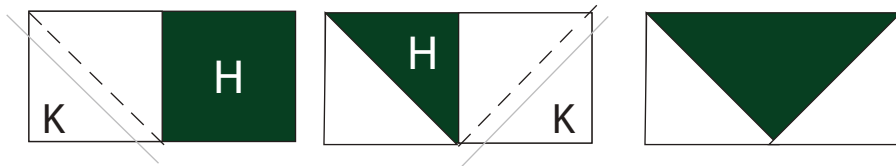

3" x 6 1/2"

BLOCK ASSEMBLY

Step 1: Draw a guideline from corner to corner on the wrong side of all K squares. Place a K square along one end of an H rectangle, right sides together, and stitch along previously marked guideline (the dotted line in the diagram). With a rotary cutter and ruler, trim excess fabric, leaving a 1/4" seam allowance, and press K fabric out. Repeat on the other end of the H rectangle to complete the flying geese unit.

Make 8 flying geese.

Step 4: Sew L squares to left and right side of flying geese units.
